Blake Tillery Announces Endorsements & Grassroots Leaders *All 159 Counties Organized & Endorsed by Over 100 Elected Officials*

VIDALIA, GA (October 6, 2025) – Senator Blake Tillery’s message of tax-cuts, Georgia values, and America First policies is supported by Georgians. Today, the Tillery for Lieutenant Governor campaign announced Team Tillery County Chairs in **ALL 159 counties**. In addition, over 100 current or former elected officials have endorsed his campaign for Lieutenant Governor. Included in this number are **62 current Sheriffs** (approximately 60% of the Republican and Independent Sheriffs in Georgia).

“I’m humbled and honored to have the support and endorsement of so many respected leaders in our state. Much like President Trump, our campaign is focused on improving the lives of average Georgians. I believe grassroots are the key and I’m working every day to earn their support,” said Senator Tillery.

Campaign Manager Jade Morey stated: “Blake Tillery is a true conservative leader. We have the right message, experience, a record of results, and excitement on our side. Senator Tillery has always promoted policies that help the average Georgian by making their lives better. That’s why they’re joining Team Tillery.”
